

Ruminant Product Portfolio

Transition Cow Health

Fast Energy Sources

- GLYCOPASS** "Bypass glycerin"
- CHARGE** "Glucogenic substances with cobalt and niacin"
- CAPRO 60** "Ca salt of propionic acid"

Fat as Energy Sources

- MAXEN** "Palm fatty acid distillate calcium soap"
- MAXEN PLUS** "Palm fatty acid distillate calcium soap with bypass methionine"

Microencapsulated Energy Sources

- OPTA S** "Protected microencapsulated sucrose"
- OPTA G** "Protected microencapsulated glucose"
- OPTA D** "Protected microencapsulated dextrose"

Calf Gut Health

Alternatives to Antibiotics

- BUTASSAN 70** "Protected source of Na butyrate with essential oils"
- BUTASSAN PLUS** "Sustained release Na butyrate"

Pelleting Efficiency

- LIGNOSSAN** "Pellet binder"

Optimizing nutrition

Microencapsulated Sources

- OPTAMINE** "Protected microencapsulated methionine"
- OPTASINE** "Protected microencapsulated lysine"
- OPTASINE OPTAMET-LYS**
"Protected microencapsulated methionine & lysine"
- OPTATINE** "Protected microencapsulated niacin"
- OPTALINE** "Protected microencapsulated choline"
- OPTALINE ULTRA** "Protected microencapsulated choline"
- OPTA C** "Protected microencapsulated Vit c"

Smart Protein Capsule

- PROCAP** "Sustained release non-protein nitrogen in rumen"

Maintain feed quality

Mold Inhibitors

- CAPRO 60%** "Powder mold inhibitor"
- ACIDRULE** "Powder mold inhibitor"
- ACISRULE P** "Powder mixed mold inhibitors"

Anti-Oxidants

- OXISSAN 5** "Synthetic antioxidants"
- OXISSAN 10** "Synthetic antioxidants"

Chemical Mycotoxins Binders

- BIFIX** "Zeolite and Bentonite mycotoxins binders"
